

```
/*  
    Name:- Rahul Singh  
    Roll no:- S 56  
*/  
  
class Bike1  
{  
    Bike1()  
{  
    System.out.println("Bike is created");  
}  
  
public static void main(String args[])  
{  
    Bike1 b=new Bike1();  
}  
}
```

OUTPUT

```
Bike is created
